Honored at Bruncheon

Mrs. Joanne Stark of Danah St. was pleasantly surprised last week when her friends and neighbors got together for a stork bruncheon in her honor at the home of Mrs. William Mitchell. The honoree was presented with a miniature tree decorated with blue, pink, and yellow artificial flowers, and liberally decked out in dollar bills.

Why FORD is First in Sales

More people are buying Ford cars than any other make because they have found that Ford gives them more of the things they want . . . in styling . . . in comfort . . . in conveniences and in performance . . . all at the price they want to pay. It's no wonder that new car registration figures* show Ford out front in Southern California and Arizona for nine months—out front nationally for seven months! More people are buying Ford . . . more people are buying Ford. Why don't you join the swing today?
